

MAKE A PEN POT FROM A REUSED YOGHURT CARTON

YOU WILL NEED:

- An empty yoghurt pot
- Paper or card
- Scissors
- A glue stick or tape
- Colouring pencils, markers or paints

HOW TO:

- Carefully peel the label off the used yoghurt pot (after it has been washed and dried). This will be the template for a new label.

HOW TO continued:

- Trace around the template onto paper or card and cut it out. Create a design on the new label with paints, a stencil or stamp print. Colour and decorate.

- Re-paper the yoghurt pot by sticking the new label on with glue or tape. Ask an adult to secure with staples if necessary.
- Fill the pot with your favourite pens or markers.
- Write some words by Seamus Heaney on your new Pen Pot!
